

AVL SCAREFEST 2019

AVL Scarefest is a three-day,
horror-themed tabletop gaming convention
in the ancient mountains of North Carolina
around Halloween.

You can expect to find excellent offerings
such as Call of Cthulhu, D&D, Pathfinder,
Starfinder, Ghostbusters, Dread, Fiasco,
Artemis, X-Wing, and many, many more.

Other highlights to whet your appetite
include
shelves and shelves of board games (yes, it's
actually possible there are games you've
never played before!),
on-site lodging and meals
(so you never have to leave...),
a Yeti, the infamous evening parties
after gaming on Friday and Saturday nights
at an old stone lodge house
that is definitely haunted,
incredibly friendly players,
and probably clowns.
